

HAGGA - EL

Yaqub's, Zodiac divine plan for Moorish men and women of Israel sex relationship, had fulfilled in harmony with nature's divine law of Zodiac evolution. Among the children of Israel, who were twelve tribes in harmony with the Zodiac law; twelve thousand to each sign, which equal one hundred and forty-four thousand among the children of Israel of whom Hammurabia Bey was in charge in 836 a.m. (Ancient Moabite).

At the beginning, in 836 a.m., in Yucatan of modern Mexico, Hagga-El (Aunt Hagga,), the Moorish Queen who was head of the Moorish nation government, had granted Hammurabia Bey permission to establish his own system for the welfare of the children of Israel.

Here Hagga-El had given Hammurabia Bey unlimited powers to do as he pleased with the children of Israel during that era because of the Moorish nation's none responsibility for the welfare of the children Israel. Hammurabia Bey's free hand with the children of Israel enabled him to set up his own government for them within the standard government of the Moorish nation just as our federal government did for the union states rights system of white supremacy in 1863.

Hammurabia then framed from the Moorish nation's Latin language, a new language termed "Arabic" in honor of the last name of the Negro Javaro Arabia Chimpanzee monkey, which is referred to in some literature as "The Negro animal". This Negro animal being the father of the children of Israel, then degreed the children of Israel "Arabians," Moslems of the Moroccan Empire. He there framed from his own name, the name of Mo-Hammad," Mo from Moslem and Hammad" from Hammurabia--- Mo Hammad, the title of rulership power of the Moroccan Empire religious power of the Moroccan Empire religious system. The Moorish Nation Holy Koran bible of zodiac prophesy is the book from which Hammurabia Bey framed his Koran book. Koran from "Kurah," for his Moroccan Empire Islamis religious mystery, ignorance and mental slavery. Hammurabia Bey then became the first Moslem grand sultan of the Moroccan empire of the Moslem world. Here, he became well fortified by his Koran and mystic title "Mohammed" - fulfillment.

From 836 A.M. to 1196 A.M. the mystic title "Mohammad" and Koran religion of Islamism fully served it's purpose and ended with the fall of the Moorish nation from national power in 1776 and the rise of the children of Israel in the "New World" of their own land on July 4, 1776 and truly the term, "The Spirit Of 76"! The fall of the Moorish Nation Babylonian Empire and the fact of the prophesy: For the lord will have mercy on Jacob, (Yaqub) and will yet choose Israel and set them in their own land and they shall cleve to the house of Jacob (Yaqub) and the people shall take them and bring them to their place (The Moors) and the house of Israel possess them (The Moors) in the land of the lord for servants and handmaidens and they shall take them captives, Whose captives they were and they shall rule over their oppressors. This prophecy fulfilled in 1776 and cannot tell a lie.

The children of Israel (Franciscans) still rule over their former Moorish oppressor up to this present time in the Moors own land. The Franciscans had a huge 200 year (bi-centennial) celebration in 1976 and invited the world to come and see what they have accomplished in 200 years with the descendants of the mighty Moorish nation as their servants and handmaidens.

NOTE: Life is but one big circle (WHAT GOES AROUND COMES AROUND) what does this tell you?
